

## CONSTRUCTING/DECONSTRUCTING THE LANDSCAPE WORKSHOP with Christie Scheele

### Materials List

*I have bolded items that are important that you might not be familiar with.*

#### Oil Paints:

Utrecht's OR any brand in that range or better is fine, since we will be mixing with a wax medium. I am enjoying Holbein lately, but build on what you have, and mixing brands is fine.

Essential colors: white, Thalo & Ultramarine Blue, Thalo or Viridian Green, Cadmium Yellow Medium (or similar), Cadmium Red (or similar), Alizarin Crimson, black (I will demo how to mix any color from these).

Recommended: Yellow Ochre, Burnt Sienna, Raw Umber, purple.

Optional (but fun!) : A DEEP black—Old Holland Intenes Black, Williamsberg, Holbein.

Sap & Olive Green, Payne's Grey, Prussian blue. Holbein—Mars Violet, Yellow Grey, Mars Orange, Juane Brilliant No.1.

**Wax medium: Soho brand** (Let me know if you have trouble finding this. It is sold at Catskill Art & Office in Woodstock..) Share with a friend!

A few pre-stretched canvases or linen in several sizes and formats (I like squares, rectangles, and more extreme horizontals/verticals.) 30"x36", 36"x36", 12"x48", & larger.

**Gessos: Art Spectrum Colorfix primer** and any brand gesso in black, Pick a Colorfix color to mix: deep ultramarine, terracotta, aubergine, share with a friend! Or pick one and we can swap around (find these with the pastel papers in ASW or Jerry's catalogue, or at Catskill Art & Office).

**House painting brushes** in a range of sizes, depending on your canvas sizes: the super cheap ones with bare wood handles---a bunch of the smallest size, 1/4", the next size, 1/2", and a few 1" and 2". Available in hardware stores.

**Filberts in synthetic sable**, for detail, #4-#12 range ; a rake & stencil brush are nice.

Other: Watercolor or acrylic paper pad, 9"x12". Palette (disposable is fine), Turpenoid Green, rags. small sketchbook and pencil, scissors, artist's tape.

**Photos** that you love, especially for day #3----simple, open compositions (I will bring some, also.).

Shopping: Art Supply Warehouse or Jerry's, Utrecht's, Dick Blick, hardware stores, Catskill Art & Office (students get a 20% discount).

Please note that in an effort to maintain our non-toxic environment, **the Woodstock School of Art does not permit the use of turpentine or mineral spirits**. Additionally, please refrain from wearing perfume, cologne or scents of any kind.
