

PAINTING & DRAWING FOR EVERYONE

Eric Angeloch

Drawing Supply List

On day one please bring a writing pencil. I use a #2 Dixon Ticonderoga. The eraser is the best I have ever come across.

We provide everything else including Sharpie markers which do have a strong odor. If you prefer a different brand of black felt tip marker please bring it.

You may bring whatever you already have and we can go from there. Below is a list of recommended supplies.

Charcoal pencils-HB, 2B, 4B, 6B (All pencils should be the same brand. I use General's charcoal pencils.)

Soft vine charcoal

White charcoal pencil

A white crayon such as Conté, soft pastel, oil pastel, or blackboard chalk

White plastic eraser

Kneaded eraser

Sanding block

Gray charcoal paper, such as Strathmore S. 500, 18" x 24", available for purchase at the school office.

One Masonite drawing board with clips, 20" x 26"

Paper Towels

Drawing (and painting) is learning how to see and developing eye to hand coordination. The method I teach involves a great deal of layering making patience a very important quality to develop.
