

ARTMAKING BY NATURE

MURIEL STALLWORTH

SUPPLY LIST

A large part of what is needed to make art will be found in the woods.

A list of what students will need to bring:

- A small backpack
- Weather protection: rain gear, hat, sunscreen, and bug spray
- Favorite drawing materials (for sketchbook)
- Small recycled glass jars *with lid* to store inks and paints they may want to keep.

From sketchbook to drawing/painting media, all will be made onsite.

Please note that in an effort to maintain our non-toxic environment, the Woodstock School of Art does not permit the use of turpentine or mineral spirits in the painting studios.
