

## Cut Paper and Mixed Media

**Instructor: Jenne Currie**

### **Please bring with you:**

- Acrylic paints: any colors you would like to use. At a minimum bring white, black, raw sienna, red.
  - For beginners- Michael's sells 4 ounce tubes of "Basics" acrylics for \$7- \$10/tube. These are not the greatest quality but they're good as a starter set.
- 1 pad of paper- recommended: 9" x 12" Canson Mix Media pad or similar\*  
\*get 86-100 lb. paper (the pad does not need to be specifically for painting. If it's 86-100 lb., this indicates that the paper is heavy enough to paint on)
- 1-2 palette knives: medium size, not too rigid, should have some flexibility.
- Painting palette: made of paper or plastic.
- Brushes, size #8, 10, 12 or similar sizes
- Paint rags/paper towel
- Container for water (such as coffee can or quart yogurt container)
- Scissors

*In an effort to maintain our non-toxic environment, the Woodstock School of Art does not permit the use of turpentine or mineral spirits in the painting studios. Please see our website for more info.*

**Any of the following for collage:**

- Out-takes of lithos, etchings or discarded drawings, fabric scraps.
- Magazine and newspaper clippings (I recommend that these be run through a xerox machine so the image is on a better quality paper than magazine paper/ newspaper.)

**Optional for Mixed Media:**

- Surfaces- Recommended- wooden fine arts boxes sold at Michael's. "Artists Loft- Cradled Wood Painting Panel"- they sell these in 3-packs very affordably. These are smooth, sturdy wood surfaces suitable for painting or gluing and can bear the weight of various mixed media materials.
- Mixed Media materials- Bring in whatever excites you ! We can discuss in class what is practical to use. Hot glue guns will be provided as adhesive.

**Included in your lab fee:**

- Paper: Heavy 11" x 15" watercolor paper for your gluing surface. You may bring your own surface if you prefer.
- Adhesive: Matte Medium for glue.

Please feel free to email Jenne with any questions - [Jenarts@hvc.rr.com](mailto:Jenarts@hvc.rr.com).
