

## The Orkney Woodcut: Lunch and Learn

### Instructor: Jeanne Bouza Rose

#### Supplies to bring:

- MOST IMPORTANT: Since in the morning we will make our own Orkney baren and you will need to bring your own rounded stone, one that fits neatly in the palm of your hand with a smooth side to use on top of the woodblock plate. Look for one early, so you can develop a “relationship” to it. NOTE: We will make the baren in the morning BUT, it is not ready for use until it has thoroughly dried and this can take a few days. SO, I will have Orkney barens for you to use and you may want to invest in a bamboo baren as described below.
- V-gouge Chisel, see options below. Ramelson chisels are for sale at the WSA Store. My preferred suggested Chisel for this process is through Woodcraft Supply Corp, but it is a bit pricey and must be ordered at least 6 to 8 weeks before the workshop.
  - Woodcraft Supply Corp. 1-800-535-4482 [custserv@woodcraft.com](mailto:custserv@woodcraft.com)  
[www.woodcraft.com](http://www.woodcraft.com) Item #05Y92 Model L12/1
  - Pfeil Swiss Made - #12 Sweep V-Parting Tool 1mm Palm Handle  
<https://www.woodcraft.com/products/pfeil-swiss-made-12-sweep-v-parting-tool-1-mm-palm-handled> Can also get # 12 with 2 or 3 mm size, palm handled
- Pencil, eraser
- Watercolors, solid or tube
- Brushes – at least 3 round watercolor brushes
- Small ( # 0-3) Medium (#4-5) Larger (#6-8)

*In an effort to maintain our non-toxic environment, the Woodstock School of Art does not permit the use of turpentine or mineral spirits in the painting studios. Please see our website for more info.*

**Optional supplies to bring:**

- Medium baren. This with the use of our own hand pressure, is our non-press, press. I will have some Orkney barens for use
  - The medium size one is perfect for this process and the size of the boards we are using.
