

Logan Rohrkemper Scholarship Application

Logan Rohrkemper (October 22, 1980 – July 1, 2021) was born and raised in California in Three Rivers, gateway to Sequoia National Forest and a small artists’ enclave. Logan pursued studies at The Art Institute of California while working full time. Her passion was painting portraits and music scenes during live concerts. After a long and courageous battle with cancer, Logan passed away at the home of her mother Beth in West Hurley. Beth created this scholarship in Logan’s honor to help working women access fine arts instruction.
