**Instructor: Christie Scheele**

### **Supplies:**

*(I have bolded items that are important that you might not be familiar with.)*

#### **Oil Paints:**

- Utrecht's OR any brand in that range or better is fine, since we will be mixing with a wax medium. Build on what you have, and mixing brands is fine.
- *Essential colors:* white, Prussian or other blue, sap green, cadmium yellow medium (or similar), cadmium red (or similar), alizarin crimson, black.
- *Recommended:* yellow ochre, burnt sienna, raw umber, purple. A DEEP black---Old Holland, Williamsberg, Holbein. Sap green, payne's grey, mars violet.

#### **Recommended: Wax medium: Soho brand**

- *(This is sold at Catskill Art & Office in Kingston)* Share with a friend, or I can share a daub with you.

#### **Canvas:**

- A few pre-stretched canvases or linen in several sizes and formats. Alternatively, you can work on primed paper.

*continued on next page*

*In an effort to maintain our non-toxic environment, the Woodstock School of Art does not permit the use of turpentine or mineral spirits in the painting studios. Please see our website for more info.*

### Gessos:

- Any brand gesso in black and white — small amounts only are needed. Optional: Pick an Art **Spectrum Colorfix Primer** color to mix for priming canvas: **aubergine is my favorite**. (Find these with the pastel papers in Jerry's catalogue, or at Catskill Art & Office).

### For canvas:

- **House painting brushes** in a range of sizes, depending on your canvas sizes: the super cheap ones with bare wood handles---a bunch of the smallest size, 1/2", and a few 1" and 2" and up. **Available in hardware stores.**
- **Filberts in synthetic sable**, for detail, #4-#12 range ; a rake or comb is nice. Other: **Watercolor or acrylic paper pad, 9"x12"**. Palette (disposable is fine), rags.

### Other supplies:

- **ruler**, pencil, scissors, artist's tape.
- **Photos** that you love, especially for day #3----simple, open compositions (*I will bring some, also.*).
